SPECIFICATIONS:

- + Waterproof backpack with roll closure
- + Ideal as daypack, for motorcycle touring or bike backpack
- + Breathable back carrying system with anatomically shaped inner stiffener
- + Chest strap and hip belt with lumbar padding
- + Helmet flap can be stowed away in small front pocket (not waterproof!)
- + Elastic front pocket with zipper (not waterproof!)
- + Hermetic port for drinking tube (drinking system not included)
- + Inner zippered pocket for valuables
- + Carrying handle
- + 2 3M Scotchlite reflectors

Contents: Backpack comes with helmet flap

Note: In order to meet standard IP64 (6=dustproof, 4=protected against splash water coming from all directions) the roll closure must be rolled at least 3-4 times.

Attention: If the product is completely submerged, water can penetrate through the closure.

Port for drinking hose (drinking system not included)

Application example: helmet fixed under flap (helmet not included)
